Poster/ Informational Stall Contest

CATEGORY	4	3	2	1
Attractiveness	The Stall is exceptionally attractive in terms of design, layout, and neatness.	The Stall is attractive in terms of design, layout and neatness.	The Stall is acceptably attractive though it may be a bit messy. Spelling errors and grammar errors are on the posters.	The Stall is distractingly messy or very poorly designed. Spelling errors and grammar errors are on the posters. It is not attractive.
Cleanliness/care	You personally clean the stalls throughout the day, and the aisle/ entryway by your stall or have a friend (non-adult) do it for you.	You clean the stalls daily, and periodically sweep the aisle/ entryway by your stall.	You try to maintain the stalls. The entryway is kept clean.	You try to maintain the stalls, but you grumble as you do it. The entryway is mostly kept clean.
Theme/Purpose	Several of the graphics/designs reflect a theme in their creation and/or display.	One or two of the graphics/ designs used on the poster reflect a theme.	The graphics are made by the 4Her, but are based on the designs or ideas of others. A theme is hinted at.	No graphics made by the 4Her are included. Theme is not fully developed.
Water/food	Horses in the stalls have water and food when appropriate. 4her has "found a friend" to help out with this is 4Her will not be around.	Horses in the stalls have water and food when appropriate.	Horse is frequently out of water, but has food at morning and night.	Horse needs more water and/or food.
Relevance	All decorations are related to the topic and make it easier to understand. All borrowed graphics have a source citation.	All decorations are related to the topic and most make it easier to understand. All borrowed graphics have a source citation.	All decorations relate to the topic. Most borrowed graphics have a source citation.	Graphics do not relate to the topic OR several borrowed graphics do not have a source citation.
Information	The average passerby learns about the horse, horse care, or management, and the 4Her by looking at the photos, and information presented. The concept or issue is easily identifiable.	The average passerby somewhat learns about the horse, horse care, or management, and the 4Her by looking at the information presented. The concept or issue is identifiable.	The average passerby learns about the horse and 4Her, but the information is hastily presented without many photos or words.	The average passerby does not learn about the horse and/or 4Her by looking at the stall.
